

KØDBYEN: Kitchen Staff

Serious mini-golf and burgers wrapped in nonsense and fun

In recent years game-based social venues have been on the rise across the globe. They are the perfect meeting place for all social happenings: work, a date, or just friends on a night out.

We take mini-golf seriously, and brought the experience indoors to make it an all year round activity. At Camping, we combine fun and games with a vibrant bar and club culture. Our courses have good playability but are still fun even for those who play mini-golf for the first time.

Our calendar is full of events creating a vibrant energy where people of all ages get together to have a good time, our staff enjoy working, and most importantly, no mosquitoes!

Let's go camping!
